

I Wonder What He's Thinkin' Today?

I wonder What He's thinkin' today,
since His birth on the first Christmas Day?
He brought "peace on earth and goodwill toward men,"
and a way we could see Him again . . .

I wonder what He's thinkin' today,
as He looks at the world of our ways?
All the wars and hate and how we treat our little ones,
what's the Spirit of Christmas become?

We'll open our presents and talk of good cheer,
say "Merry Christmas and Happy New Year."
But, these words lose their meaning as the season soon ends,
and the hurtin' begins again.

So, let's give Him a gift on this day,
a gift we can all give away.
And, that's "peace on earth and good will toward men,"
O Lord, help us try it again.

And, I know what He'll be thinkin' today,
if we all take a step and lead the way.
Spread is message of love for all to hear,
and live the Spirit of Christmas all year.

Live the Spirit of Christmas This Year!
